PROFESSIONAL EXPERIENCE	Computer Forensics Examiner Loehrs & Associates, LLC. (Formerly Law2000, Inc.) (Since 2012) Computer forensics services, particularly pertaining to legal evidence, including forensic acquisitions of digital artifacts including computers, cell phones, removable storage media, digital cameras, gaming consoles, etc.; data collection and recovery from allocated and unallocated space; data analysis and conclusions regarding who, what, when, where and how data came to be on an artifact; detailed reporting of conclusions and analysis. Legal Secretary Hollingsworth Kelly (Formerly Hollingsworth Law Firm) (2007-2012) Hollingsworth Kelly is a top rated law firm serving the victims of personal injury, medical malpractice and wrongful death. My duties included organizing and creating medical chronologies from client's psychological and medical records, cross referencing medical records and bills, ordering and maintaining medical records for over seventy five clients at any time, confirming clients medical balances including liens and preparing cases and exhibits for trial.
PROFESSIONAL MEMBERSHIPS	<i>National Association of Public Defense (NAPD)</i> Organizational Membership The National Association for Public Defense (NAPD) engages all public defense professionals into a clear and focused voice to address the systemic failure to provide the constitutional right to counsel, and to collaborate with diverse partners for solutions that bring meaningful access to justice for poor people. NAPD currently unites nearly 7,000 practitioner-members across the country into a cohesive, unwavering, irreplaceable community capable of bringing justice to a broken system.

Co-Founder of the Scott McDermott Sunflower Endowed Fund
Salpointe Catholic High School (Since 2012)

The Scott McDermott Sunflower Scholarship Endowed Fund provides tuition to students without the financial means.

Dinosaur School Volunteer
Easter Seals Blake Foundation (2012)

Volunteer work for the Easter Seals Blake Foundation Dinosaur School program. Worked with children with diagnosed behavioral disorders, from the ages of four to eight. The goal of the program was to guide activities for the children in order to assist them in strengthening their team work, participation, concentration and memory skills, as well as redirecting their anger into positive energy.
